Make Your Voice Heard During Green Month *Take Survey to Share Environmental Concerns*

Gaithersburg, MD (April 22, 2021) The City of Gaithersburg's Environmental Affairs Committee is conducting a survey to understand what environmental issues are of most concern to residents and other stakeholders in Gaithersburg. The results will guide initiatives and recommendations moving forward. No personal information will be recorded and individual survey responses will be kept confidential. The online survey is available [here](#).

Explore this year's [Green Month offerings](#), including a "No Straw Pledge," Montgomery County GreenFest, an Arbor Day celebration and more.
